Telephone: 01707 654511

Mobile: 07956 251025

TEAM FEES

The annual team club membership for the 2018/2019 season is £45. This fee helps towards competitions, equipment, mats etc...

Due to the works at the centre and the new layout of hall, from November 1st, 2018, we will have to hire two courts instead of the usual one, with the unfortunate consequence that team fees this year have increased slightly.

Rest assured, however, that we have found a way to reduce that price increase to the littlest amount possible in these circumstances.

4 hours	£85	
5 hours	£95	
6 hours	£105	
7 hours	£115	
8 hours	£125	
9 hours	£135	
10 hours	£145 and so on

All team fees must be paid by standing order.

All team fees are payable monthly by standing order on the 1st of each month.

There will be no refund for absences, though reasonable time can be made up by prior arrangement only.

The fees are calculated on a 40-week year (to allow for club closures, including some school holidays, August, Easter and Christmas)

Please ensure standing order is set up the month your child starts. You can pay cash or card for the first month, then a 20% increase will be added until the standing order is set up. This is because the fees are spread over 12 months.
